

Tuition Information

Tuition Policy

If a student's tuition has not been paid by the due date, that student will be considered unexcused until such time as tuition is paid. After three unexcused absences, the student's position may not be held. Any tuition not paid by **July 31, 2024**, will be assessed a **\$30 late fee**. If you foresee difficulty meeting this payment schedule, please contact our office immediately. We will make every effort to work with you, but a payment plan must be established prior to July 31, 2024. Please do not wait until after July 31 to address payment concerns.

CDCC expects participants to commit to the entire season and **CDCC tuition is non-refundable**. However, we understand extenuating circumstances may prohibit you from continued participation. Extenuating circumstances include a move out of the area, a death in the family and other life-altering situations. In these situations, we will consider a refund on a case-by-case basis. **Unexpected scheduling conflicts do not constitute an extenuating circumstance.**

Payment Options: (Tuition is non-refundable.)
